

## WEAVING

### LINEN AND HEMP SPINNER 100% MADE IN EUROPE

With more than 200 years of experience in linen spinning, Safilin selects the finest European flax fibers (with 95% from France and 5% from Belgium and the Netherlands) to offer yarn for your linen products. In woven form, Safilin linen yarn adapts to all your requirements. Whether for clothing, home textiles or furniture, everything is possible with Safilin yarn.

A wide range of yarn from Nm 1.8 to Nm 50 is available to you for all your linen fabric projects.

#### Safilin yarn benefits

- Eco-friendly cultivation and processing of flax fiber
- 100% recyclable · 100% local (European) · 100% sustainable
- Selection of long fibers for a very durable yarn without pilling
- Mix of fibers for yarn quality that has beaten off competition for over 200 years
- Hypoallergenic, heat-regulating
- Traceable
